

**NATIONAL
ELECTRICAL CODE**

Update

Effective March 12, 2024, the State of Michigan has adopted the 2023 NEC Code for all commercial and three or more family dwelling units.

Electrical permits applied for, after March 12, 2024 must also comply with part 8 80.26 230.85

Emergency/Service disconnect for one and two family dwelling units.

Exception: If the building permit is issued prior to March 12, 2024, you must reference NEC 2017 and MRC 2015 codes.
